

Welcome to TitanCon

We are thrilled to welcome you to the Europa Hotel Belfast for TitanCon 2012.

We have a fantastic line up of guests, panels, workshops and events for you to enjoy throughout the day. I'm sure most people are here for *Game of Thrones* panels and events but we also have a great variety of literary, media and other items of interest on our programme for you to sample.

You can also get your game on with our gaming programme presented by TableTopNorth.

If you're an art lover then check out our art show featuring beautiful artwork by some talented artists which is available for purchase. And don't forget to drop by our dealers room to see what's on offer!

We hope you'll stick around for our evening entertainment including the masquerade, a screening of tonight's *Doctor Who* and an Irish Première screening of *Strange Frame*, a psychedelic animated movie featuring an incredible line up of voice talent. Later on our disco brings the night to an end.

We hope you'll have an incredible day at TitanCon 2012.
