

Gaming

We've got a great line up of games for TitanCon members to enjoy. The gaming, dealers room and art show will all take place in the Library Bar, or **Winterfell** as we call it.

"Guards! Guards! A Discworld Boardgame" and "Codinca"

Back for a second year are local game designers Leonard Boyd and David Brashaw who will be hosting demonstration games of *Guards! Guards! A Discworld Boardgame* (2012 revised edition) and their new game *Codinca*.

A Game of Thrones the Board Game

Based on *A Song of Ice and Fire* by George RR Martin, *A Game of Thrones: The Board Game* by Fantasy Flight Games lets 3-6 players take control of the great houses of Westeros in an epic struggle to claim the Iron Throne. Run by TableTopNorth.

Star Trek Mega Game

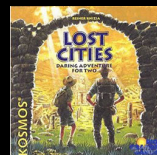

A live action ship-to-ship combat game set in the *Star Trek* universe, run by TableTopNorth. Will you live long and prosper?

RPG - Over the Hills (Fantasypunk)

Still running from the The House Guard of Lee Gar you are faced with a dilemma, fight your way through and die a glorious death. Stupid idea I know! Or cross the Orfaks mountains and take your chances with wild ores and avalanches. Almost certain death... Well "almost" at least sounds like a shot and hopefully the Lee Guard will attract a lot more attention than a group of adventurers?

Plus assorted range of quick play card and dice games

Art Show, Comic Artists and Dealers

Our art show features artwork available for purchase by some incredibly talented artists. In the afternoon our comic artist guests will be seated up in Winterfell doing some drawing. Also please check out what's on offer in our dealers area.
